## Professional Bachelor Healthcare and Social Services Facilities Management Healthcare and Welfare Facilities Management

Institut Francilien d'ingénierie des Services (IFIS)

Professional Bachelor LP

#### TO GET THERE

This professional Licence degree is designed for students who have completed two years of initial training in higher education. It is open to students with training in the healthcare, social and welfare field and significant experience in management.

This course is a work-study programme.

3 statuses are accepted:

- Apprenticeship
- Lifelong learning with a professionalisation contract
- Initial training (work placement periods).

#### ACQUIRED SKILLS

The course gives students the skills to master fundamental management tools (project management, HRM, administrative management, job analysis, communication, strategic analysis and management control) and fundamental knowledge in the healthcare field (healthcare law, decentralisation, healthcare policies and systems, ethics).

#### YOUR FUTURE CAREER

At the end of this professional Licence, graduates can apply for the following jobs:  
- for lifelong learning students: Healthcare executive, Management and Direction of medical and paramedical services.  
- for initial training students: Administrative manager, Assistant executive in the healthcare, social and welfare sectors, HR assistant, Quality assistant, Accounting assistant, Deputy manager in a nursing home, Executive secretary in a clinic, etc.

#### BENEFITS OF THE PROGRAM

=D14
