## University Diploma French University Culture and Methodology (1 year)

### Eiffel Compétences

University Diploma DU

### TO GET THERE

This diploma is open to foreign students with proficiency in French language, and allows them to enrol in courses from L1 to M2 level.

### ACQUIRED SKILLS

The objective is to acclimatise students to French language, methodology and culture, as well as English, to allow them to enrol in an L1, L2, L3, M1 or M2 course at our university or another French university.

### YOUR FUTURE CAREER

The objective of this university degree is to enable international students to quickly integrate into a Licence or Master's degree course, depending on the initial level, at Université Gustave Eiffel or another French university.

### BENEFITS OF THE PROGRAM

The course is taught in person and remotely. Students will be assessed throughout the academic year. The diploma is granted if all teaching units are acquired. The weighted average of the elements in the teaching units must be equal to or higher than 10.
