Bachelor's degree Sociology Careers in politics and public policy

UFR de Sciences Humaines et Sociales (SHS)

Licence L3

TO GET THERE

L3: French and EU students: submit application via the UGE website.

Students from outside the EU: Campus France according to country of origin.

ACQUIRED SKILLS

Students in this program are expected to pursue master's degrees and careers in politics or public policy, especially in the social sector. Students strengthen their knowledge of sociology and political science while conducting collective and individual research projects. Students refine their writing, synthesis, and analytical abilities.

YOUR FUTURE CAREER

Students in this program are expected to pursue master's degrees and careers in politics or public policy, especially in the social sector. They may also pursue studies with a Master's degree in Change Management and Sociology of Human Resources, Corporate Communication and Social Media, or other Social Science degrees.

BENEFITS OF THE PROGRAM

Some courses are shared with geography students.
